

Meet Your *Guest Experience Powerhouse*

CenterEdge's All-In-One Point of Sale station is professional-grade and purpose-built for high volume throughput and the demands of entertainment, food service, and retail environments. Small enough to fit where you need it and large enough to make transactions a breeze, this station has the power to run your entire operation.

Sleek Design. Compact Footprint.

Our newest All-in-One Station boasts a modern and sleek design that fits seamlessly into any space. Its compact footprint maximizes efficiency without taking up valuable real estate, ensuring your counter looks clean and spacious.

- Receipt printing and PIN Pad peripherals can be attached to the base
- Can be outfitted with MSR and Fingerprint Reader hardware

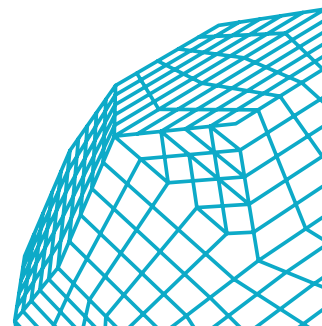

Swivel Base. Touch-Sensitive Screen.

Revolutionize your guest experience with our swivel design and high-resolution touchscreen. Easily navigate through transactions and flip your screen to allow guests to sign membership agreements effortlessly.

The Power of the Entire Advantage Suite.

Control your entire operation from any station in your facility with complete access to Advantage from any station in a widescreen format. Stations are equipped for Windows 11 and can be configured individually, by department, or universally. Includes access to:

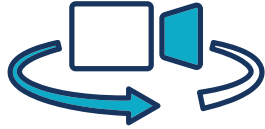

- Advantage Sales
- Advantage Console
- Advantage Events
- Advantage Inventory
